

Library board issues challenge!

The Spring City Public Library Board of Trustees has issued a challenge to the residents of Spring City and East Vincent Township to help raise funds for the library. The trustees have agreed collectively to match the first \$1500 in donations made to the library within the next 90 days.

The Spring City Public Library has served the community for 101 years. Each week, the library sees more than 700 visitors as community residents of all ages use the library's public computers, cultural and children's programs and, of course, books.

The board's goal is to rally community support for the library. The Spring City Public Library is a priceless community asset. The library needs and deserves the support of the residents it serves now more than ever as it seeks to continue to build a legacy for future generations.

This challenge grant is an ideal way to invest in your library's future and double the power of your donation at the same time.

The library board includes Terry McCarthy, Tom Spann, Paula Thum, Danielle Zimmerman, Dawn Shaner, Alethea Lynch, Michael Hays and Diane Skorina.

Send tax-deductible contributions to: Spring City Public Library, 245 Broad St., Spring City, PA 19475. Write "Trustees Challenge Grant" on the memo line. If your employer provides matching grants, please notify them of your donation.

For more information call the library at 610-948-4130.
