

It's a great idea to have your party at the Spring City Pool!

Here's what you get...

- **Private covered gazebo and table for 4 hours** – Based upon availability we provide your party with a private covered gazebo for 4 hours for a \$20.00 fee. Once your initial 4 hours have expired, if there is availability you may opt to stay in the gazebo for an additional charge of \$5 for each 2 hour increment. If the gazebo is reserved for the time slot following yours, or if it is available, but you are not interested in extending your reservation, we kindly ask that you relocate your party to another location on the grounds. We encourage you and your guests to stay with us for the duration of our operating hours that day; you are welcomed to any of our other tables, chairs, umbrellas etc.

Should all of the gazebos be previously reserved when you book your party, we will provide you with a table under the pavilion located between the pools with no 4 hour expiration.

Additional tables may be reserved for \$5 each.

- **Wrist bands** – We require that our wrist bands are worn by each one of your party guests. We present each person with a wrist band as they arrive and check in at the office for your party.
