In 2000 the Spring-Ford Area Historical Society acquired the Lewin Plantation House and property on Main Street in Royersford. One of its rich historical treasures was the small cobbler shop now located behind the main house. This shop, which opened for business in 1875, originally faced Main Street on the front of the lot and was Royersford's first shoe store.

It has always been the intention of the society to restore this shop to portray its original 1875 appearance. We are proud to say that this goal has finally been realized in 2008 with a concentration of efforts beginning in January to restore the shop.

The cobbler shop is open to the public during our regular business hours Monday, Wednesday and Friday from 11 AM to 3 PM and also the first and third Sundays of the month from 1 PM to 3 PM. The shop is now open to the public for visitors.

The grand opening will be held at this year's May Fair, scheduled for Saturday May 3rd.
